Sewers are going to LOVE this pattern! Order yours today!

Beth's Heirloom Sewing Shop used the “**Baby Sacque**” pattern for a beginner heirloom sewing class — the simple pattern is perfect to teach basic heirloom sewing techniques with an easy project that beginners can complete in class. Two variations are shown below. Both feature a back button closing. “**Funtime for Babies I**” is also a good beginner class project.

Embroidery or a medallion may be added after this Swiss batiste daygown has been completed. Laces have been attached with entredeux.

The back button closing is easy for beginners.

This gown is made of Swiss flannel with entredeux-edged Swiss trims — very easy to sew. It is embellished with three pearl buttons on the center front. Perfect for an infant boy.
